### **1. Livin' Is An Art**

Livin' is an art  
You've got your canvas and I've got mine  
Livin' is an art  
You've got your easel and I've got mine  
Livin' is an art  
You've got your brush and I've got mine  
Livin' is an art  
Using the colors of the universe

Livin' is an art  
How perfect could this be  
Livin' is an art  
Do the work and you will see  
Livin' is an art  
Check the power of a smile  
Living is an art  
We're jammin' with the rhythm what's your style

Painted pictures  
Hanging on the wall of life  
It doesn't really matter  
Which is the prettiest  
Everyone is responsible  
For their own picture big or small  
Everyone is responsible for their every rise and fall

### **2. Dutty Gun**

Throw away yu dutty gun if yu a no vampire  
Throw away yu dutty gun let's not fight  
Throw away yu dutty gun if yu a no vampire  
Throw away yu dutty gun let's unite

Come let's celebrate our lives instead  
Come let's celebrate 'cause we ain't got no other  
Come let's celebrate our lives my friend  
Come Come celebrate like brothers and sisters

Night and day rain or sun

Peace must not be overlooked

## 3. Sleepin' Lion

Don't trouble trouble 'cause trouble will double trouble you  
Mr. Speaker  
Talk as much as you want but don't try to change us  
Don't trouble trouble 'cause trouble will double trouble you  
Mr. Big Man  
Help us if you can but don't try to fix us

Don't play fish if you can't swim  
Don't play with fire if you don't want to get burn  
Life is a gamble so they say  
But what what shall we win at the end of the day  
Experience is the greatest teacher of all  
No need for defense if we learn our lessons well  
Oh oh take care of creation there's so much to gain  
Woh woh woh woh we've got nothing to lose

A little bit of wisdom worth more than gold  
Can't be bought can't be sold  
If you spit in the sky it will fall in your eye  
Once bitten and twice shy

Experience is the greatest teacher of all  
No need for defense if we learn our lessons well  
Oh oh take care of creation there's so much to gain  
Woh woh woh woh we've got nothing to lose

Don't trouble trouble 'cause trouble will double trouble you  
Even if you're tough like lion  
Don't trouble trouble 'cause trouble will double trouble you  
Never wake a sleeping lion

Finally we're talking again  
Together again  
Down memory lane  
Finally we're smiling again  
Together again  
Sunshine or rain we will maintain

In the light there's no darkness  
In the light there's no darkness  
In the light there's no darkness  
So why not live the life we love  
And love the life the life we live  
Live the life we love

Hey changes changes  
Yes and everyone a run come look  
Yes oh yes we've got changes changes changes  
A little bit of care that's what it took

Naturally nature is calling and  
I hope that you're willing  
To live and let's live

Naturally a true sense of freedom  
With no referendum  
Just live and let's live let's live

In the light there's no darkness  
In the light there's no darkness  
In the light there's no darkness  
So why not live the life we love  
And love the life the life we live  
Live the life we love

Hey changes changes  
Yes and everyone a run come look  
Yes oh yes we've got changes changes changes  
A little bit of sharing that's what it took

I vision I vision a sweeter a brighter tomorrow

## **5. Love's Knockin'**

What I have is what I give  
What I give is what I have

The little that I have I'll share with you

# BOOGIE BROWN PRODUCTIONS

Love's knockin' on your door  
Don't turn it away  
Love's knockin' on your door  
Don't turn it away instead

Check it out if ever you are in doubt  
Before you turn it away  
Check it out see what it's all about  
Before you turn it away want you to know

Love will make you laugh  
Love will make you cry  
Love will make you do things without even try  
It will take you by the hands  
It will make you sing and dance all night

Love will make you jump for joy  
Love will sometimes play you like a toy  
It will warm your very soul  
It will make you sing and dance all night

## 6. Feelin' The Same

Woke up this morning feeling so good  
Feeling so good oh it's the best  
This wonderful feeling I just can't express  
How much I wanna share with you  
The way that I'm feeling

As if I am  
On top of a mountain enjoying the morning sun  
On top of a mountain having so much fun  
Oh top of a mountain till the evening comes  
On top of a mountain where pleasure's never done  
I'm feeling the freedom all around me and  
I hope I hope I hope that you're feeling the same  
Feeling the same way that I'm feeling

As if I am  
On top of a mountain where clean water flows  
On top of a mountain where cool wind blows  
On top of a mountain where it sometime snows  
On top of a mountain where everything glows

Feeling the power all around me and  
I hope I hope I hope that you're feeling the same  
Feeling the same way that I'm feeling in my soul

Oh what sweet sensation  
From nature's provision

Don't say no don't say no

## **11. Why You Treat I So**

Why you treat I so  
Why you treat I so  
Why you treat I so  
Why you treat I so (repeat)

I and I provided the food  
I and I chopped the wood  
I and I fetched the water  
I and I built the fire  
While the pot's cooking  
And we're both waiting  
You came in from the back  
And you eat up all we've got  
With your greedy self  
Oh it's a shame  
Oh brother brother

Why you treat I so  
Why you treat I so  
Why you treat I so bad  
Why you treat I so

How could you forget  
The tears the laughs we share  
How could you forget  
When no one else seem to care  
How could you forget  
We were very good friends  
Then you attack from the back  
And you mash up all of that  
With your selfish ways  
Oh it's a shame  
Oh brother brother

## **12. I Won't Give In**

On the fabric of my heart  
Love is written from the start  
I know it's true because of how I'm feeling inside

In the bosom of my soul  
Happiness has found a home

# **BOOGIE BROWN PRODUCTIONS**

I know it's true because of how I'm feeling inside

From every corner of my mind  
I wish the same for all of mankind  
I know I do because of how I'm feeling inside

Brother Love will see me around  
Sister Love will never let me down  
I know she won't because of how I'm feeling inside

I won't give in to hate war and crimes temptation  
I won't give in I will not lose my stance  
I won't give in to the devil's bloody ways destruction  
I won't give in 'cause there's maybe no second chance

So I'll dry my tears cry no more  
Dry my tears and cry no more  
So I'll dry my tears cry no more  
Dry my tears and cry no more

Then I'll do the things that makes me feel right  
Do the things with all of my might

Rough and tough has been my path  
But satisfaction will come at last  
I know it will because of how I'm feeling inside

Sometimes the pain so severe  
But Jah won't give I more than I can bear  
I know he won't because  
Of how I'm feeling inside

Papa Love will see me around  
Mama Love will never let me down  
I know she won't because  
Of how I'm feeling inside me
