1. Rock Your Bones

Wo wo wo wo wo
Wae wae wae wae wae
Mi say two thousand miles from home to
town
Go tell your friends say you see we come
on yah
Tell them we bring them music to rock
their bones
Go tell your mother father and brother
Go tell your mother father and sister
Tell them we bring them music to rock
their bones (repeat)

2. What A System

What a system what a system
What a system Baba what a system
What a system what a system
What a system Mama what a system
What a system what a system
What a system Dada what a system
What a system what a system
What a system what a dutty system
Time and time again they crucify the
accused
And just a slap on the wrist to the
murderers
Time and time again time and time again
It's just a warning given to the murderers
Hey what about the victims
Hey of all the pains we share
Nothing said nothing done
I say no one remembers the victims
Greedy men keep on doing them thing
All they want is to win
These games they play

Looking like a sheep
But a wolf in disguise
In this day and age
You can't even trust your brothers
With tears in their eyes
And stories so well dramatized
It's hard to resist their bag full of lies
So many say them a Rasta
But them action say them a babylon
Don't let them fool you
They will abuse you
So many say them a Christian
Yet them keep on living in sin
All they want is to win
These games they play

3. Raised In The Jungle

Wha oh wha oh wha (repeat)
Born and raised in the jungle
I'll never forget where I'm coming from
Born and raised in the jungle
I'll never regret where I'm coming from
Born and raised in the jungle
The encounter was so rough
Just couldn't help but to be humble
Although it's kinda tough I say
Mommy and Daddy have done their best
And I've got to do the rest
Fighting for survival is like playing chess
But I am the winner cause
Mi nah give up nah give up
Won't give up won't give up
Say mi nah give up nah give up
I won't give up at all
Over hills and valleys I've trod
But I didn't mind
Sometimes coffee sometimes tea
Sweat and tears for wine
The blues popped in my head
Sometimes my eyes got red
I won't forget to remember
Who were there for me
Mek we mash down the system
With a little bit of reggae
Mek we tear up the system
With a little bit of reggae yah

4. Chatty Chatty Mouth

Chatty chatty mouth
You want to know your culture
Chatty chatty mouth
You want to know your culture
Your boss is a warrier
Chatty mouth you are a traitor
You both belittle the humble
Also fight against the meek
But I and I and I
By the power of Jah I
We shall overcome one fine day
Chatty chatty mouth
Be wise and know your culture
Chatty chatty mouth
You've got to know your culture
Your boss shall be lost
And you chatty mouth you'll get a blow
Remember Jah say
The humble and the meek they shall
prevail
Hey Mr. Chatty Mouth
You'll get a blow
But I and I and I
By the power of Jah I
We shall overcome one fine day
You and your boss shall be lost
If you won't hear
You will get a blow...hey
You shall be weighed in the balance
And found wanting
And then you running to Jah saying
It isn't I who have done so and so
But Jah shall say depart from I
I know you not
Chatty chatty mouth
Be wise and know your culture
Chatty chatty mouth
Be wise and know your culture
Chatty chatty mouth
Be wise and know your culture

5. Rocky Road

Trodding night and day on life's rocky road
It's a humpy dumpy bumpy rocky road
Rain or sunshine on life's rocky road

Rich and poor on the same road together
Weak or strong we're swimming the same waters
Oh mighty redeemer bless my soul
Give I the strength to carry on
Oh kind master bless my soul
Give I the courage to carry on

Trodding night and day on life's rocky road
It's a gusty dusty rusty rocky road
Rain or sunshine on life's rocky road
It's a ugly funky scary rocky road

It's a hard road to travel
And a very long way to go
I'm willing and I'm able
Where Jah leads me I will follow (chorus)

All I've got is my dreams
All I've got is my dreams
And one day they'll come through

Say we trodding night and day
On life's rocky road
Rocky rocky road on and on and on we go
On and on and on and on we go

6. Bucky Massa

Yesterday may be dead and gone
But memories linger on
Work work work like a honey bee
While Bucky Massa reap the sweet
Work work work a we plant the seed
But a way too much greed to feed
I've got no choice I must rebel
Guide I oh Jah through the though the
thorns of tomorrow
Guide my arrow
Bucky Massa keep robbin' the poor
Every day him rob some more
Ain't much more for him to rob
Enough is enough give I and I a break
The fire is hot hotter than hot
And a little bit of faith is all I've got
I don't wanna lose my soul
So guide I oh Jah through the thorns of tomorrow
Guide my arrow oh Jah
Temptation won't leave me alone
Sometimes I feel like mashin' up the town
Now you think I'm crazy

7. One Destiny

We are defending peace and love
Equal rights and justice
All for one and one for all
See the writing on the wall
Every day my heart cries out
Why won't we try a little tenderness
What about the one heart
What about the soul
What about the one aim
One destiny
We noh want no more apartheid
We noh want no more guns at our bedside
We noh want no more political struggle
We noh we noh want no more
We noh we noh want we noh want
We noh want noh want no more a that yah

8. Another Day

Every day is another day
No need to live and fret
Every day is another day
What we give is what we get
Every day is another day
I no see no difference yet
Every day is another day
Good Lord help us while we pray
Help us to survive
The storm before the calm
When it's wet and cold
You always keep us warm
Bring a dutchy come
Before the food is gone
Bring a Cuchy come
Take a sip make we give Jah praise
Our natural resources we abandoned
While we cling to the things
The things that ain't good for the soul
Even the fishes in the sea
Suffer man-made pollution
The tide is high and the life boat's moving

Sing your song sing your song
Song your song sing your song

While the boss is having fun
Trying to conquer all
The major's got a bomb
While the boss his only plan
Is to conquer all
Too long they play us a fool
Too long and that ain't cool

11. We Shall Overcome

Over and over again and again
Mek we sing these freedom songs
Over and over again and again

Mek we sing them one by one
Over and over again and again
Mek we sing these freedom songs
As high as as the mountain
As cool as the breeze
We shall overcome
Sometimes hard as a rock
But no matter what I say
We shall overcome
You cheated the poor
Gave us your less for more
Hey Mr. Rob hey Mr. Rob
Let's get to the core

Hey Mr. Rob hey Mr. Rob
Too late you just can't get us down
Too late we won't go down (repeat)

12. Never Get Burn

Shedrac Mesheck and Abendigo
Were cast in the fire
But never get burn
In the morning when the king arose
To see them burn
He saw four soldiers walking in the fire
Faith is the key you see to enter Zion gate
Hold fast and never get burn
Pray for your needs
And not for your wants
Oh no no oh no
